Welcome to the Miami-Dade County Schools Online School Payments (OSP) portal. This service is provided to facilitate online credit card payment for school fees for a variety of products and services. This solution is currently deployed to a limited number of Schools for evaluation and input by parents and school staff with the goal of implementing district-wide by the 2016-2017 school year. We encourage parents to explore the website and provide both positive and negative feedback to their local school administrators on how best to deploy the solution district-wide. For further information please contact your local school administrator.
